

## Black Slim Mini Jack Headphone Splitter Cable Adapter - 3.5mm Male to 2x 3.5mm Female

StarTech ID: MUY1MFFADP

The MUY1MFFADP Black Slim Headphone Splitter Cable splits a single 3.5mm audio output into two separate outputs, enabling you to connect two sets of headphones or speakers to your MP3 player, Tablet PC or laptop computer.

The Headphone Y-Cable allows you to share your favorite songs and/or videos with a friend while you are travelling or on the move and it features a slim connector molding that fits easily into a 3.5mm headphone jack, even if your mobile device is in a protective case.

This splitter adapter is colored to suit black mobile devices, and can be used with any portable device that has a 3.5mm mini jack, such as your iPhone®, iPod® and iPad®. The cable features a compact, lightweight design that takes up very little space in your laptop bag or carrying case.

The MUY1MFFADP Black Headphone Splitter Cable is backed by StarTech.com's Lifetime warranty for guaranteed reliability.

### Applications

- Great for splitting audio from MP3 players and other mobile digital devices that feature a 3.5mm audio output jack (e.g. iPod, iPhone, iPad)
- Split one 3.5mm audio jack into two separate outputs, enabling two sets of speakers to be used with a single sound card

## Features

- 1x 3.5mm Mini-Jack male connector
- 2x 3.5mm Mini-Jack female connectors
- All-black construction
- Slimline connector molding
- Molded connectors with strain relief
- Compact, lightweight design
