

C2G POWER CORD PRODUCT LINE

C2G has again expanded its popular power cord line to offer a wider selection of fully specified, competitively priced UK, European, African and Australasian power cords, power cord extension and power cord splitters all with a lifetime warranty.

These products are convenient when you need to replace a lost or overused power cord. They are also useful when you need a shorter or longer power cord length to better fit your application. There is also a power cord splitter line available when you need to power multiple devices with one outlet.

New power cords now available

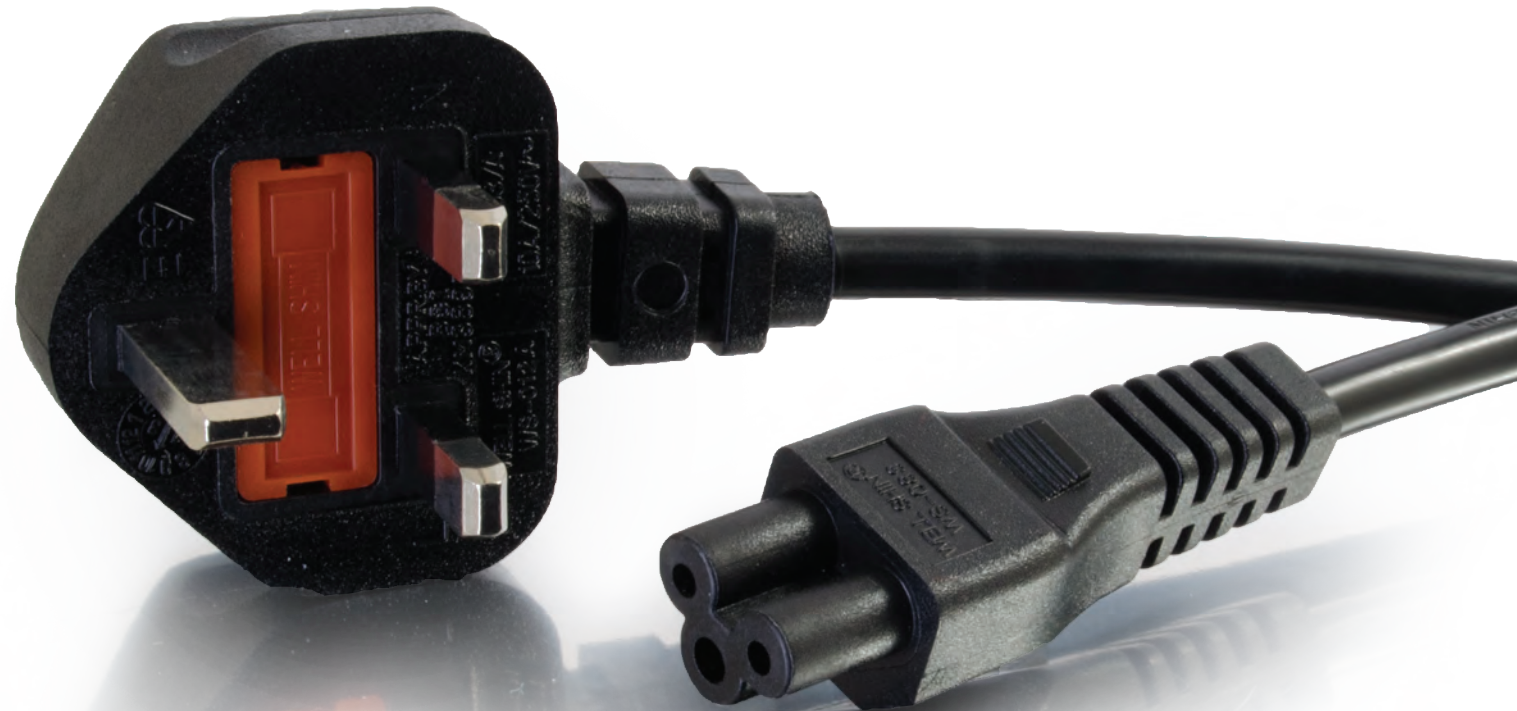

- UK power cords
- EU power cords
- Country specific power cords
 - Swiss
 - Danish
 - South African
 - Australasian
- Universal power cords

Wider selection of power cord products and lengths

- Replace lost or overused power cords
- Better fit your application using the right length cord
- Power multiple devices using one outlet
- Lifetime warranty

Product specifications are accessible online at www.c2g.com
