

36 Port LC/LC 1U Rackmount Fiber Enclosure Patch Panel

MODEL NUMBER: **N492-036-LCLC-E**

Description

Tripp Lite N492-016-LCLC-E is a pre-loaded, 36-port, LC/LC fiber patch enclosure that supports either Multimode or Singlemode LC Fiber cable patching. Features rugged heavy steel construction, with multiple rear entry points for trunk cable feeding into the panel, providing protection as well as internal management. 1U design takes up minimal space while allowing for maximum patching.

Features

- 36 port LC/LC Feed Through couplers in a 1U panel (3 x 12port modules)
- Supports Singlemode or Multimode Fiber connections
- 19" Wide x 8" Deep x 1.75" High
- Pull-out locking tray for easy access to internal connections
- Heavy Cold-Rolled steel construction, Black Powder Coated finish
- Six rear cable entry ports
- Adjustable depth mounting
