

Dual 2.5" SSD/HDD Mounting Bracket for 3.5" Drive Bay - Tool-Less Installation

StarTech ID: BRACKET225PT

Install your drives in no time - with no tools required. This tool-less mounting bracket lets you mount two 2.5" solid-state drives or hard drives into a 3.5" bay in your desktop computer.

Easy, tool-less drive installation

The bracket design lets you quickly secure your drives into the mounting bracket, without using tools. Then you simply put the bracket into a 3.5" drive bay in your computer and hold it in place using the tool-less pegs.

Wide compatibility

Designed for versatility, the tool-less mounting bracket supports a wide range of 2.5" solid-state drives or hard drives, ranging from 5 to 12.5 mm in height.

Designed for trouble-free use

The lightweight mounting bracket is designed for trouble-free, reliable performance. BRACKET225PT is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Provides system integrators and builders with a time-saving way to install drives into new systems
- Offers an easy way to install drives into desktop computers in business or home office settings
- Replace a single 3.5" drive with two 2.5" SSDs or HDDs

Features

- Install two 2.5" SSDs/HDDs in place of a single 3.5" drive
- Tool-less drive and bay installation
- Supports drives from 5mm to 12.5 mm in height
