

USB 2.0 USB-C to USB-A cable - 1m (3ft)

StarTech ID: *USB2AC1M*

Need to connect your new USB-C™ mobile device to a computer with a traditional-style USB-A USB port?

This 1m USB 2.0 USB-A to USB-C cable is the perfect solution.

Charge and sync your USB Type-C™ mobile devices

Connect your newer mobile devices that feature a USB-C connector, such as the Nokia N1 tablet to your computer, with data transfer speeds of 480 Mbps.

Connect with ease

The USB Type-C connector is smaller and easier to use than previous USB connectors. With a reversible design, you can plug it into your devices with either side facing up. Insert the cable the right way every time – no more frustration or port damage.

The USB2AC1M from StarTech.com is backed by a lifetime warranty for guaranteed reliability.

Applications

- Charge and sync your USB-C mobile digital devices
- Charge your USB-C devices with a wall charger

Features

- Simple connections through a reversible USB Type-C connector, which plugs into your device with either side facing up
- Guaranteed reliability with our lifetime warranty
