

6in DVI-D Dual Link Digital Port Saver Extension Cable M/F

StarTech ID: *DVIDEXTAA6IN*

The DVIDEXTAA6IN 6-inch DVI-D Port Saver Cable/coupler avoids expensive repairs to a computer or display. It does this by extending the port by 6in, thereby eliminating the weight and stress that would typically be placed on the port by a DVI cable. This is especially useful in an environment where cables are unplugged and re-inserted frequently.

The 6in DVI-D cable supports resolutions of up to 2560x1600 and transmission rates of up to 9.9 Gbits/sec, and is fully compliant with DVI DDWG standards.

Designed and constructed for maximum durability, this high quality video cable is backed by StarTech.com's Lifetime Warranty.

Applications

- Extend a video card or monitor DVI-D port by 6in, to protect against damage from frequent connect/disconnects

Features

- Supports a maximum resolution of 2560x1600
- High-speed digital transmission rate of up to 9.9 Gbits/sec
- Aluminum-Mylar Foil with Braided Shielding
- Supports hot-plugging of DVI display devices
- Compliant with DVI DDWG Standards

Technical Specifications

Warranty	Lifetime
Connector Plating	Nickel
Cable Jacket Type	PVC - Polyvinyl Chloride
Cable Shield Type	Aluminum-Mylar Foil with Braid
Connector A	1 - DVI-D (25 pin) Male
Connector B	1 - DVI-D (25 pin) Female
Color	Black
Wire Gauge	28 AWG
Cable Length	0.5 ft [0.2 m]
Product Length	6 in [152.4 mm]
Product Width	1.6 in [40 mm]
Product Height	0.6 in [16 mm]
Product Weight	2.9 oz [82 g]
Package Quantity	1
Shipping (Package) Weight	3 oz [86 g]
Included in Package	1 - 6in DVI-D Dual Link Digital Port Saver Cable M/F
