

5in High Speed HDMI® Adapter Cable - HDMI to HDMI Micro – F/M

StarTech ID: HDADFM5IN

The HDADFM5IN 5-inch HDMI® to HDMI Micro Cable adapter enables you to use a standard HDMI male-to-male cable to connect your portable devices (BlackBerry® PlayBook™, Smartphones, etc.) to most video displays.

With a Standard HDMI female connector (type A) on one end and an HDMI Micro (type D) male connector on the other, you can easily make this conversion and connect to computer monitors, HDTV or HDMI projectors virtually everywhere you go.

The HDMI/HDMI Micro cable features high quality, gold-tipped connectors that ensure peak connectivity, and is backed by StarTech.com's Lifetime Warranty.

Applications

- A simple solution that allows you to connect HDMI® Micro devices such as your BlackBerry® PlayBook™ or smartphone to a HD display or Television using a regular HDMI Male to Male cable.

Features

- HDMI® Micro connector allows connection of portable HDMI devices to HDMI displays or TVs
- High quality design and construction for optimum performance and portability
- All-in-one cable design for transmitting digital audio and video through a single cable
