

SATA All-in-One cable angled

Description

This SATA cable by Delock enables you to run different SATA drives, e.g. SATA-HDD. The angled Combo-connector combines data- and power cable to one SATA connector and leads downwards from the HDD. Just connect the SATA cable to the mainboard and the power cable to a power supply with 4pin female port.

Ref. 84307

EAN 4043619843071
