

6 ft USB Y Cable for External Hard Drive - USB A to mini B

StarTech ID: *USB2HABMY6*

The USB2HABMY6 6ft USB-A to Mini-B Y cable features two USB-A male connectors and a single USB Mini-B male connector - an ideal solution for providing additional power to your mini-USB external hard drive by connecting to two USB-A ports on your computer or laptop.

Especially valuable in situations where a single USB 2.0 port may not offer sufficient power to external hard drives, the USB2HABMY6 can be connected to two ports on one PC to increase the power output to power the external device.

This 6 ft cable is backed by StarTech.com's lifetime warranty for guaranteed dependability.

Applications

- Connect an external 2.5in hard drive enclosure to a PC or laptop
- Provides both power and data connections between a host computer (Desktop, laptop) and an external USB storage device

Features

- 2x USB-A male connectors
- 1x USB Mini-B male connector
- Supports USB 2.0 data transfer rates up to 480Mbps
- Molded connectors with strain relief
