2 Port USB A Female Slot Plate Adapter

StarTech ID: USBPLATE

The USBPLATE 2 Port USB A Slot Plate converts the USB pins from most AT style Pentium (and newer) motherboards to 2 standard USB A-Style ports. The plate can be mounted on the rear panel of a computer case, adding two USB A female ports for simple connection to USB peripheral devices.

Applications

- Check your motherboard's manual for it's USB pinout diagram
- USBPLATE wiring scheme: Red=Power, Green=Signal, White=Signal, Black=Ground

Features

- Two standard A-type USB outlets mounted on a plate with 11.25 inch (285.75mm) cable to the 5 pin connectors
- Supports 4 or 5 pin motherboard connections
- Separate cables support a single row of 8/10 pins or 2 rows of 4/5
- USB V2.0 compliant
