

## USB Multi-Charger Cable - Lightning, USB-C, Micro-B - Braided - 1 m (3 ft.)

Product ID: LTCUB1MGR

This convenient USB multi-charger cable lets you charge and sync your Apple Lightning equipped devices, or your Android® mobile devices, through a USB port on your laptop.

Offering a Lightning connector for your iPhone or iPad, a USB-C™ connector for your newer phone or tablet and a Micro-USB connector for your older mobile devices, it's the ideal cable for all of your mobile charging needs.

### **Charge and sync your mobile devices while you're on the road**

The 3-in-1 charging cable eliminates the need to carry multiple cables for all of your mobile devices.

You can also use the cable to charge your devices from a USB wall charger, car charger or power bank -- great for people on the move, for providing simple, tidy connections.

## **Leave one in your car or at your desk**

With multiple connections available to you, this USB charging cable is perfect for leaving in your car or at your desk. Keep it connected to your car charger or plugged into your work computer so that when you commute to work or when you arrive in the office you know you're ready to go.

The LTCUB1MGR USB charger cable is Apple MFi certified and backed by StarTech.com's 2-year Warranty to ensure dependable performance.

### Certifications, Reports and Compatibility

### Applications
