

Flat-Screen TV Wall Mount - Low Profile - For 37" to 70" TV - Anti-Theft - Tilting

Product ID: FPWTLTBAT

Save space while improving the appearance of your work area, with this low-profile TV wall mount. The mount sits close to the wall to support a VESA Mount compliant TV from 37" to 70", and offers anti-theft protection as well as tilting capability that makes it easy to find the perfect viewing position.

Low-profile design for meeting areas or digital signage

Mount your flat-screen TV or monitor in a location that's convenient for visitors, clients or employees. The wall mount safely and securely supports your TV about two inches (51 mm) from the wall to provide a sleek, low-profile look.

It's ideal for lobbies, hallways, boardrooms, works areas, customer-facing areas or for creating digital signage. The wall mount supports most 37" to 70" (940 to 1778 mm) LED or LCD flat panel TVs weighing up to 88 lb. (40 kg).

Adjust your viewing angle

This TV wall mount tilts -10° to $+5^{\circ}$, so you can adjust the angle of your display with ease to customize your viewing experience.

Anti-theft protection

Engineered with heavy-duty steel, the robust steel TV wall mount securely supports your flat-screen TV, to protect your investment. Ideal for areas with high traffic and minimal supervision, the TV mount features a steel bar that can be locked into place with a padlock (purchased separately) to protect your TV or monitor against theft.

Easy setup

A built-in level helps to ensure your TV is aligned in a straight position on your wall, to ensure optimum viewing.

The FPWTLTBAT is backed by a StarTech.com 5-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Securely wall-mount your flat-screen TV in a classroom, lecture hall, or meeting space, or in a and customer-facing area such as a lobby
- Keep your guests informed or entertained, ideal in hotels, restaurants and other hospitality venues
- Protect your TV or monitor against theft with the lockable bar, ideal for areas with high traffic and minimal supervision
