

# Freecom FHD-XS

## *The world's smallest buspowered external Hard Drive with integrated USB-2.0 cable*

### **Freecom FHD-XS super small 1,8" hard drive**

- The world's smallest external hard drive with integrated USB Cable
- Ultra compact, robust aluminum design for mobile computing applications
- Hi-speed USB 2.0 interface
- Bus powered, no AC adapter needed
- Unique SYNC button for One Button Data Synchronization
- Fast installation without rebooting, just plug and go
- Can be easily carried in your pocket
- Including award winning Acronis True Image software
- 2 years manufacturers warranty and unlimited helpdesk support

### **Designed for:**

- **Data storage;** use all your data, like business information and digital photos, videos, MP3s and all other files directly from the drive
- **File sharing;** share all your important data between computers and networks
- **Backup;** protect all your data against calamity, human errors and virus infections
- **Archiving;** archive all your data and lock up drive for extra data security
- **Installations;** copy all your software on multiple PCs

The new FHD-XS redefines the meaning of the word portable. This is the way mobile storage is meant to be: small in size, lightweight, robust aluminum design, large storage capacity, buspowered and no additional cables required. This pocket sized, extremely fast drive, installs in seconds, is hot swappable for maximum flexibility and connects to any PC with a USB 1.1 or 2.0 port. A driver is not required\*, so just plug and go. The FHD-XS comes with two convenient applications. 1) Freecom's One Button Data Synchronization for automatically synchronizing files between FHD-XS and your computer or network. 2) Acronis True Image (for Windows only); this software can replicate an exact image or indeed separate partitions of your hard disk drive for complete backup, allowing you to restore all of their contents, including operating systems, programs, personal data and settings.

THE FUTURE IS SIMPLE!

## Freecom FHD-XS mobile bus-powered hard drive

<b>Product</b>	Freecom FHD-XS mobile bus-powered hard drive
<b>Storage capacity</b>	20GB, 40GB ATA-5 (UDMA/Enhanced IDE compatible)
<b>Interface</b>	USB 2.0/1.1
<b>Performance</b>	Average seek time: 15ms Track to track seek time: 3 ms Rotational speed: 4200 rpm
<b>Data Transfer Speed</b>	over USB 2.0 bus: up to 480Mbit/s
<b>Hard drive Buffer Size</b>	2MB
<b>MTBF</b>	50000 P.O.H.
<b>Shock Resistant</b>	operating 300g, non-operating 1000g
<b>Physical specifications</b>	Length 85 mm x Width 85 mm x Height 12 mm (3,3 x 3,3 x 0.59 inch) Weight: 150g (5.30 ounce)
<b>Environmental specifications</b>	Operating Temperature 5° C to 60° C Storage Temperature -20° C to 80° C
<b>System Requirements:</b>	PC: Pentium-III 233MHz or higher, 64MB RAM, CD-ROM drive Windows 98SE/Me/2000/XP Available USB 2.0/1.1 port Mac: OS 9 or higher (Bundled True Image software does not support MAC OS).
<b>Power Requirements</b>	USB bus powered, no AC Adapter needed
<b>Package includes:</b>	<ul style="list-style-type: none"> <li>• FHD-XS mobile bus-powered hard drive (Windows pre-formatted)</li> <li>• Integrated USB-2 connection cable</li> <li>• Manual on CD in 7 languages</li> <li>• Acronis True Image Software (Windows)</li> <li>• SYNC Application software</li> <li>• Quick Install Guide</li> <li>• 2 years manufacturers warranty and unlimited helpdesk support</li> </ul>

### ACRONIS TRUE IMAGE SOFTWARE

#### THE ULTIMATE DATA INSURANCE POLICY!

The Freecom FHD-XS with Acronis True Image software is your ultimate data insurance policy! The software takes an exact image of your hard disk drive or separate partitions for complete backup and allows you to restore all of their contents, including operating systems, programs, personal data and settings. In the event of fatal software or hardware failure Acronis True Image protects your data, even when ordinary file backup software does not work. True Image is designed for Windows and available English only.
