19" Double Section Wallmount Cabinet

15U, Flatpack, Black, 450 mm (17.72") depth
Part No.: 713801

The Intellinet wallmount cabinets offer you a flexible and comprehensive solution for your network installations. Our service starts with the shipping condition – get the completely assembled cabinet delivered or save space and money with the flatpack version.

In terms of housing, you can choose from among the extra-compact 10? cabinets and numerous 19? versions, with installation depths that range from 300 to 600 mm. With heights from 6 to 20 units in black (RAL9005) or gray (RAL7035), we offer you a solution for every need. The removable side panels, the lockable tempered glass-door that can be opened more than 180° and the optional double section make cabling and component exchange particularly easy.

In material and workmanship, we provide top quality. Part of that is a cold-rolled steel frame, zinc-plated 19? mounting rails and antistatic powder coating on all panels.
