

## 2m Cisco Compatible SFP+ 10-Gigabit Ethernet (10GbE) Passive Twinax Direct Attach Cable

StarTech ID: SFPCMM2M

The SFPCMM2M Cisco Compatible 2m SFP+ cable is a fully hot pluggable, direct attach cable, supporting 10 Gigabit Ethernet and Fiber Channel applications connected through (Small Form Factor Pluggable) SFP+ ports.

Designed for short length, high speed interconnects, this low power, low latency Twinax cable is a cost-effective alternative to fiber optic cable assemblies and is intended for short distance applications such as point-to-point in-rack and across rack network switch/server connections.

Backed by our 2-year warranty, this 10GBASE-CU SFP+ Cable is compliant with MSA (Multi-Source Agreement) standards, making it a reliable replacement SFP-H10GB-CU2M cable.

### Applications

- Use in 10Gb Ethernet and Fiber Channel applications
- Point-to-point in-rack and across rack network switch/server connections (Storage Area Networks (SAN), Network Attached Storage (NAS), Storage Servers, etc.)

### Features

- Compatible with Cisco equipment
- Compliant with SFP+ MSA Multi-Source Agreement standards
- Support for 1x, 2x, 4x and 8x Fiber Channel data rates
- Compliant with SFF 8431 connector standards
- 30AWG, 100 Ohm impedance
- Support for multi-gigabit data rates up to 10.5Gbps

### Technical Specifications

|                           |                                                      |
|---------------------------|------------------------------------------------------|
| Warranty                  | 2 Years                                              |
| Cable Jacket Type         | PVC - Polyvinyl Chloride                             |
| Connector A               | 1 - SFP+ Latching Plug                               |
| Connector B               | 1 - SFP+ Latching Plug                               |
| Impedance                 | 100 Ohm                                              |
| Wire Gauge                | 30 AWG                                               |
| Cable Length              | 6.6 ft [2 m]                                         |
| Product Length            | 6.6 ft [2 m]                                         |
| Product Width             | 0.6 in [14 mm]                                       |
| Product Height            | 0.5 in [12 mm]                                       |
| Product Weight            | 3.5 oz [100 g]                                       |
| Operating Temperature     | 0&degC to 70&degC                                    |
| Storage Temperature       | -40&degC to 80&degC                                  |
| Package Quantity          | 1                                                    |
| Shipping (Package) Weight | 3.8 oz [108 g]                                       |
| Included in Package       | 1 - 2m SFP+ 10-Gigabit Ethernet (10GbE) Twinax Cable |
