UK Socket Rack PDU's

Racky Rax's full range of high quality BS1363 UK outlet Power Distribution Units (PDU) range are available with or without Surge Protection. Our PDUs have multiple outputs designed to distribute electric power, to racks of computers and networking equipment.

When facing challenges in power protection and management solutions you can rely on a PDU monitoring to improve efficiency, uptime, and growth. Our vertical PDUs fit by mounting onto the back profile of a floor standing cabinet.
