

Custom Cat 6 UTP RJ45 Patch Leads

Connectix Category 6 RJ45 UTP Patch Leads are designed to exceed performance requirements. Made from Category 6 stranded cable, they are terminated using high performance modular plugs.

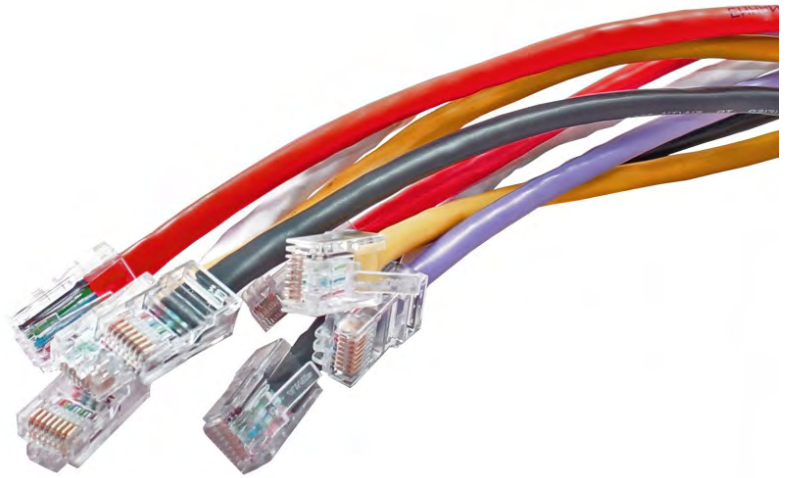

Using our in-house cable assembly facility, we are able to manufacture virtually any type of Cat 6 UTP RJ45 Patch Leads to your exact

specification. Each lead is individually factory tested to the standard to ensure quality and performance.

All leads are made with high quality 100% copper stranded patch cable. Unless specified, the leads are made using LSZH cable.

Features & Benefits

- Fully conforms to ANSI/TIA-568-C
- Made to order in any length
- Each lead is individually QA tested
- Plugs conform to ISO8877
- Minimum order quantity of 10 leads
- Made to order - Small quantities: 1-3 day leadtime
- For larger quantities, please request lead time

LSZH Cable Product Specifications	
Plug	High performance modular plug
Cable	26 AWG LSZH Category 6 standard cable
Cable Diameter	Approx 4.8mm
Booted Available	Yes
Conforms To	ANSI/TIA-568-C Category 6 Specification

PVC Cable Product Specifications	
Plug	High performance modular plug
Cable	24 AWG
Cable Diameter	Approx 5.5mm
Booted Available	Yes
Conforms To	ANSI/TIA-568-C Category 6 Specification
