

Dual 2.5" to 3.5" HDD Bracket for SATA Hard Drives - 2 Drive 2.5" to 3.5" Bracket for Mounting Bay

StarTech ID: BRACKET25X2

The BRACKET25X2 Dual hard drive mounting bracket kit enables you to maximize the internal mounting space of your computer, by installing two 2.5in SATA hard drives (HDD) or solid state drives (SSD) into a single 3.5in mounting bay. The bracket can be used with IDE drives using our 2.5in to 3.5in IDE Hard Drive cable adapter (IDE4044).

For a hassle-free installation, the hard drive mounting kit includes all required data and power cabling for both SATA drives.

The BRACKET25X2 features solid steel construction, and is backed by a StarTech.com lifetime warranty and free lifetime technical support.

Applications

- Install up to two 2.5" SATA hard drives into an unused 3.5" bay in a desktop chassis
- Add the performance of 2.5in solid state drives to your desktop computer
- Repurpose unused laptop hard drives to work with your desktop computer

Features

- Mount up to two 2.5in drives into a single 3.5in bay
- SATA data and power cabling included
- Solid steel construction
- Vertical and horizontal drive mounting holes
