PFA 9115 Back covers 42-47 inch black

The PFA 9115 is designed for displays from 42 – 47 inch and the PFA 9116 for displays from 50 – 55 inch. The covers can be used in combination with the PFB 34xx Series (PFB 3405 and larger).

The universal display rear covers are designed to fit perfectly. The display interface, as well as the cables and connectors are hidden behind the cover. This gives the display's rear a smooth and elegant look. Since the upper and lower side are open, ventilation of the display is no problem.
