- *Up to 180° of forward/back LCD tilt and 180° of side-to-side LCD pan*

- *Internal steel construction for long-lasting durability and easy to clean plastic exterior*

- *Weight capacity up to 25 lbs (11.3 kg)*

- *Multiple keyboard tray options provide optimum ergonomic comfort*

- *Fold up keyboard against the wall when not in use*

- *Attaches to LCDs that are VESA® MIS-D, 100/75, C compliant*

- *5 year warranty*

The 100 Series allows flat panel monitors, keyboards and laptops to be mounted with a minimum profile while providing side-to-side and forward-back pivot movement. The patented friction system provides smooth adjustment while maintaining touch-screen stability.

Choose from Single Pivot with Portrait/Landscape (P/L), Double Pivot with P/L and Keyboard/Laptop Pivots to suit your application. Multiple surface attachment and accessory options are available.

ERGOTRON®

Pivot shown mounted to Wall Track. Wall Track can provide a common interface for multiple Pivots.

All 100 Series can be mounted directly to surfaces with appropriate fasteners (Double Pivot with P/L shown).

Single Pivot with P/L shown mounted to Wall Plate.

Keyboard Pivot shown with Keyboard Tray—folds up flat when not in use (see inset photo).

100 Series shown mounted to 2" round pole.
