Limitless creativity

Do it all with HP accessories

Table of contents

HP accessories give you endless opportunities

In today's world, you need to be versatile, dependable, mobile, and responsive. So your technology should be, too. HP accessories make technology work for you by helping you stay connected to your content wherever, whenever, and however you want.

Discover a comprehensive range of stylish, practical HP accessories

Discover HP's comprehensive and robust portfolio of consumer and commercial accessories designed to meet your needs, budget, and lifestyle. Choose from wireless mice that let you truly roam, carrying cases that protect against impacts, docking solutions that quickly and easily connect to your peripherals, and much more.

All HP accessories are backed by our industry-leading service and support. Select from a variety of options, such as HP Total Care, which includes the extensive range of HP Care Pack Services.

This brochure features both consumer and commercial accessories. Please note that the models available in retail are followed by the word "Retail".

Docking

Expansive connectivity

A true desktop experience

HP Docking solutions easily connect you to your HP Business Notebook PC. They also enable expansive connectivity to a wide range of peripherals. Create an ideal desktop computing environment using convenient, comfort-focused docking stations and stands that provide port replication, cable management, and future expandability.

HP UltraSlim Docking Station

Designed exclusively for ultraslim HP EliteBook Notebooks

- Expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock
- Four USB 3.0 ports offer high-speed connectivity to the USB devices you use most. USB 3.0 reduces the time required for data transmission (vs. USB 2.0)[1], is backward compatible with USB 2.0, and is bi-directional
- DisplayPort and VGA ports deliver legacy and future compatibility with your choice of video devices and an Ethernet/LAN port keeps you online

B9C87AA#xxx[2]

HP 120W and 230W Advanced Docking Stations

- Conveniently charges your notebook and extended life batteries while in the docking station[1].
- Offers four USB 3.0[3] and two USB 2.0 ports, enabling you to instantly connect to the USB peripherals you use most.
- With transfer speeds up to 10x faster than USB 2.0, USB 3.03 will allow you to transfer files much faster than ever before.
- Features two DisplayPort 1.2 video connectors, VGA and DVI ports, giving you multiple choices for high-end digital video output.

A7E36AA#xxx[2] *120W*

A7E38AA#xxx[2] *230W*

HP 90W and 230W Docking Stations

- Easy docking system provides port replication and cable management in one product.
- Optional integrated HP Docking Station Cable Lock allows you to secure your docking station and notebook with one lock. Also supports an industry standard notebook lock.

A7E32AA#xxx[2] *90W*

A7E34AA#xxx[2] *230W*

[1]Your notebook, docking station, cable, and monitor must all support USB 3.0 and DisplayPort 1.2 to get the advanced benefits that these technologies provide. If one of the devices does not support these technologies, the system will only support USB 2.0 and/or DisplayPort 1.1 functionality.
[2] Please note that product numbers with #XXX mean that they offer several localizations that may differ
[3]SuperSpeed USB 3.0 provides the highest standard in USB with a design data rate of five Gbps

Docking

HP 2740 Docking Station

Designed for use with the HP EliteBook 2740p and 2760p Notebooks

• Easy docking system provides port replication and cable management in one location

• Enhance productivity with access to three USB 2.0, VGA, DisplayPort and an eSATA port

• Charge your notebook and battery while you work

• Ethernet/LAN port so you can stay online

WA995AA#xxx[1]

HP 2570p Docking Station

Designed for use with HP EliteBook 2540p, 2560p and 2570p Notebooks

• Easy docking system provides port replication and cable management in one location

• Enhance productivity with access to three USB 3.0 and one USB 2.0, eSATA port, and DisplayPort 1.2 plus VGA inputs for legacy and future compatibility with your choice of video devices

• Ethernet/LAN port so you can stay online

A9B77AA#xxx[1]

[1]Please note that product numbers with #XXX mean that they offer several localizations that may differ

Create an ideal desktop environment

Enable expandability for the future with convenient, easy-to-use HP port replicators as well as an affordable, compact travel hub.
HP USB Port Replicators are compatible with all notebooks that have a USB 2.0 or 3.0 port.

HP 3005pr USB 3.0 Port Replicator

Universal USB connectivity - no need to reboot when you connect or disconnect!

• USB 3.0 allows you to transfer your files faster, much faster
• An alternative expansion solution for HP Business Notebook PCs that do not support HP Common docking solutions
• Gigabit Ethernet gets you high-speed network connectivity.
• Supports up to 2560x1600 (single) or 1920x1200 (dual)

HP 2005pr USB 2.0 Port Replicator

Universal USB connectivity - no need to reboot when you connect or disconnect!

• An ideal expansion solution for HP Business Notebook PCs that do not support HP Common docking solutions
• Supports up to 1920 x 1200[1] resolution
• Plug and Play - Onboard flash memory module with installation software
• Ports include: 4 USB 2.0, Microphone, Headphone, Ethernet, VGA and HDMI

Workspace enhancement

Satisfy a wide variety of workspace requirements

HP Display and Notebook Stand

- Turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display).
- Accommodate a large range of notebook sizes, notebooks that can be connected to a docking station, or notebooks lacking a docking connector.

AW662AA#AC3
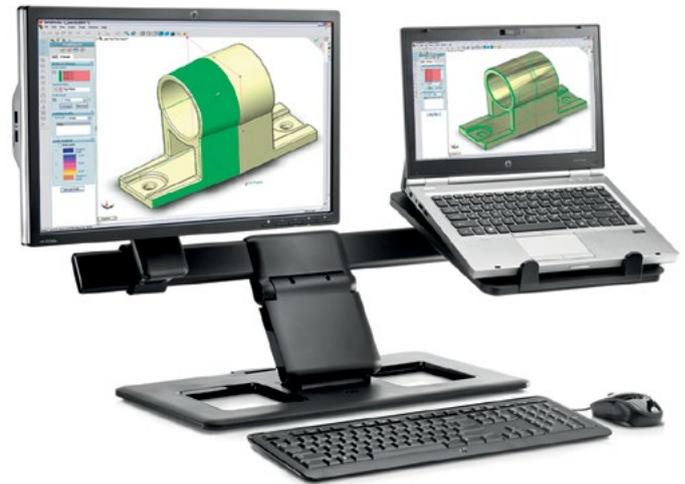

HP Adjustable Dual Monitor Stand

Use two displays to maximize productivity and optimize efficiency.

- Rotate display to landscape or portrait orientation.
- Depth-, height-, tilt-, and angle-adjustable features let you track multiple applications and information sources simultaneously and easily share your work.

AW664AA#AC3

HP Adjustable Display Stand

- Support up to a 61 cm (24") display with this dual-hinged, smooth-motion display stand that enables greater depth, height, and tilt adjustment for maximum comfort.
- Adaptable design accommodates notebooks connected to a docking station or without a docking connector.

AW663AA#AC3

HP LCD Monitor Quick Release Mount

- Mount any combination of devices that are compatible with 100 mm VESA Mounting Interface Standard.

EM870AA/AT

HP LCD Monitor Stand

- Stack your notebook, docking station, and monitor.
- Compact design supports up to 61 cm (24") diagonal LCD monitor up to 11.4 kg (25 pounds).
- Open-sided design allows easy access to frequently used bays, slots, and ports on the docking station.
- Sliding tray enables easy positioning of the notebook and docking station.

QM196AA

Workspace enhancement

HP Tower Stands

Free up valuable desk space and increase productivity with tower stands.

VN568AA *HP USDT Tower Stand*

VN569AA *HP SFF Tower Stand*

HP Single Monitor Arm

• Space-saving design frees up valuable desk space.

• Adjust to your height, posture, and work preference.

• Support up to one 61 cm (24") diagonal display.

BT861AA/AT

HP Height Adjustable and Reclining Stand

• Fully recline the All-in-One as well as raise and lower the screen.

• Create a single or multi-user all-in-one environment that complements your desktop, kiosk, or lobby in the most space-constrained environments.

• Use an easy-to-attach, industry-standard VESA mounting bracket.

• Bring your display into perfect view with a wide range of high and low tilt positions.

C1N43AA

HP Dual Hinge Notebook Stand

• Dual-hinged, smooth-motion display stand allows for greater distance, height, and tilt adjustment for maximum comfort.

• Adaptable design accommodates notebooks connected to a docking station and notebooks without a docking connector.

• Integrated base rollers have rotation capabilities.

AW661AA#AC3

HP Integrated Work Center Stand for USDT

• Attach a 43.2 cm (17") or 55.9 cm (22") diagonal LCD monitor to an HP Business PC Ultra Slim Desktop (USDT) or HP Thin Client on a single stand.

• All-in-One form factor is ideal for space- constrained work environments.

• Gain monitor height adjustability.

LH526AA/AT

HP Integrated Work Center for SFF

• Space-saving design frees up valuable desk space.

• Adjust to your height, posture, and work preference.

• Position wherever it is most convenient on the desk.

• Support up to one 61 cm (24") diagonal display.

QP897AA/AT

Security and privacy

Keep your work under lock and key

No need to worry about prying eyes

This unique HP built-to-fit solution ensures confidential business data, personal information, and financial records are visible only to the person sitting directly in front of the notebook display.

HP Display Privacy Filters

QA216AA *31.8 cm (12.5")*
AU100AA#AC3 *35.6 cm (14")*
AU103AA#AC3 *39.6 cm (15.6")*

HP Express Card Reader

• Enhances the security of your e-commerce transactions over public and private networks
• Uses digital signatures and certificates to enhance transaction security
• Helps reduce the costs associated with managing corporate networks
• Based on industry standards: ISO 7816 Class A and AB, Microsoft® PC/SC, and PKCS#11 compliant

AJ451AA

HP Solenoid Lock and Hood Sensors

• Protect Convertible Mini Tower desktops or Small Form Factor desktops with these specially designed Solenoid Cover Locks that can be turned on or off using software
• Protect your desktop from unauthorized interference or theft

DE618A *(CMT)*
BP428AA *(SFF)*

HP Business PC Security Lock Kit

• Protects your HP Business PC from tampering or theft in public locations by locking-down peripherals such as mice, keyboards, monitors, or USB security devices
• Prevents the removal of the PC chassis cover

PV606AA

[1]Requires usage of an HP Docking, Advanced Docking, 2570p Docking Station, or UltraSlim Docking Station.

Security and privacy

HP Docking Station Cable Lock

- Dramatically simpler to use than previous locks
- Delivers enhanced security
- Offers the ability to lock your docking station only or notebook and docking station together[1]

AU656AA#AC3

HP Keyed Cable Locks

- Secure your valuable IT hardware.
- Offer 1.83 m (6.00') vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock
- Feature a push-button locking mechanism and unique key (including a spare)
- Swivel and adjust the cable 360 degrees

H4D73AA *HP UltraSlim Keyed Cable Lock*

HP Combination Cable Lock

- Offers a 1.98 m (6.50') cut-resistant galvanized aircraft-grade steel cable that loops around any secure object and easily attaches to any device such as a notebook or docking station with an industry-standard lock slot

AY475AA#AC3

HP SFF Wall Mount/Security Sleeve

- Bracket helps to free up valuable space on your desktop.
- Mount your PC on a wall or beneath your desk for enhanced security and convenience.

VN570AA

HP (2009) USDT Rear Port Controller Cover

- Mount your desktop on a wall or beneath your desk
- Enhances security and convenience
- Frees up valuable desktop space

VN571AA

HP Chassis Security Kit

- Blank optical bay security blocks the removal of computer components (memory, hard drive) from the chassis.
- Lock computer power supply so computer components cannot be disabled.
- Help prevent removal/breakage by locking computer front bezel.

Graphics and video adapters

Brighter graphics for brilliant work

HP graphic cards and video adapters are perfect for those who are looking to improve their everyday business PC experience with better graphics and excellent visual display quality. These graphic cards and adapters offer plenty of memory, speed, processing, connectivity, and display options—to boost productivity, enhance performance, multitask across applications, and much more.

AMD FirePro W7000 4GB Graphics

Get incredible 3D performance and superb visual quality in a single slot design.

• With PCIe Gen3 compatible card, experience unmatched application responsiveness that professionals working with advanced visualization, complex models, large data sets and video footage need.

C2K00AA

AMD FirePro™ V3900 1 GB Graphic Card

• Outstanding performance for the entry-level market
• Ideally suited for CAD/CAM and DCC (digital content creation) workflows that use small- to medium-sized datasets and require excellent 3D viewport performance at low prices
• Parallel processing architecture with 480 stream processors

A6R69AA/AT

AMD Radeon™ HD 6350 512 MB DH PCIe x16 Graphic Card

• Low-profile graphic card
• Supports dual display video output through DMS-59 connector
• Avoids the need to share PC system memory with 512 MB of DDR3 dedicated on-board graphics frame buffer memory

QK638AA

AMD Radeon™ HD 7450 DP 1 GB DH PCIe x16 Graphic Card

• Stable 2D and advanced 3D graphics performance
• Perfect for small business users engaging in web conferencing or video or photo editing, while improving everyday business PC experience with better graphics and excellent visual display quality
• Flexibility for new applications and enhanced performance

B1R44AA

Graphics and video adapters
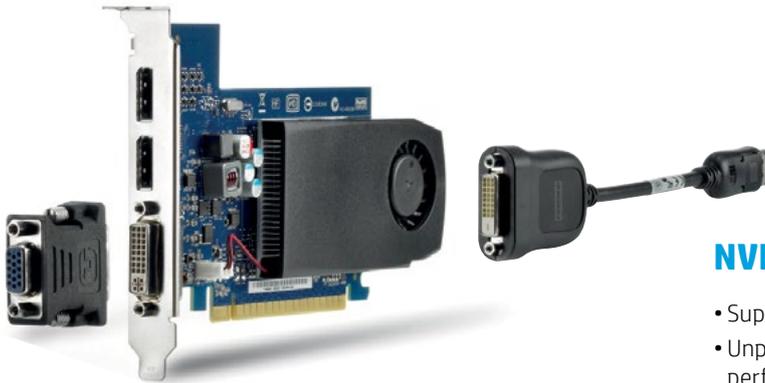

NVIDIA GeForce GT 630 2 GB Graphic Card

- Supports NVIDIA surround technology
- Unprecedented flexibility for new applications and enhanced performance
- Runs multiple displays from a single graphics card
- Full 16 lane PCIe Generation 3-bus support with peak bandwidth support

B4J92AA/AT

NVIDIA NVS 300 PCIe x16 VGA 512 MB Graphic Cards

- Next-generation multi-display capabilities for professional applications
- Enhance system performance with these low-profile, dual-head, and GPU-computing ready graphic cards
- View your work on two monitors with nView multi-display software and create up to 32 individual desktops
- Compatible with all major financial NLE and EDA applications

BV456AA *For desktop PCs*

XP612AA *For workstations*

NVIDIA NVS 310 512 MB Graphic Card

- Ideal for your small form factor business PC and workstations
- Supports up to two displays
- Improves your graphics experience with PCI Express x16 graphics technology in a low-profile card
- Offers 512 MB of ultrafast DDR3 memory

A7U59AA/AT

NVIDIA Tesla K20 Compute Processor

- Accelerate computing performance with power consumption efficiency for your professional application that run parallel task and require large workload at double presicion.

C2J97AA

NVIDIA NVS 510 2GB Graphics

- Business graphics solution that delivers a reliable hardware and software platform for a stable environment with robust IT management tools for seamless enterprise deployment
- Supports up to four displays
- Offers 2 GB of ultrafast DDR3 memory

C2J98AA/AT

NVIDIA Quadro K600 1GB Graphics

Step up to the Kepler GPU architecture and experience greater performance over previous generation Quadro 600 for entry level professional 3D and video workflows.

- Kepler GPU architecture with 192 CUDA Cores and fast 1 GB GDDR5 memory.

C2J92AA/AT

NVIDIA Quadro K2000 2GB Graphics

Benefit Kepler GPU architecture that provides segment leading performance per watt results. Great workhorse for medium sized 3D design and/or video editing professional work flows.

- Kepler GPU architecture with 384 CUDA Cores and fast 2 GB GDDR5 memory.

C2J93AA/AT

Graphics and video adapters

NVIDIA Quadro K4000 3GB Graphicsx

Select Kepler GPU architecture that unleashes new heights in performance compared to previous graphics solutions in this segment delivering outstanding performance in medium to large professional 3D CAD, M&E, and visualization workflows.

• Kepler GPU architecture with 768 CUDA Cores and fast 3 GB GDDR5 memory.

C2J94AA/AT

NVIDIA Quadro K5000 4GB Graphics

Step up to the latest Kepler GPU architecture unleashing new heights in performance and delivering outstanding performance to fluidly handle demanding professional 3D CAD, M&E, and visualization workflows

• Kepler GPU architecture with 1536 CUDA and fast 4 GB GDDR5 memory

C2J95AA/AT

NVIDIA Quadro K3000M GFX

Specific graphics board compatible with Workstation AIO Z1 for midrange professional 3D graphics and DME applications.

• Kepler GPU architecture with 576 CUDA Cores and fast 2 GB GDDR5 memory

C3G85AA

NVIDIA Quadro K4000M GFX

The ultimate graphics board compatible with Workstation AIO Z1 for handling demanding datasets in professional 3D graphics, DME, and visualization applications

• Kepler architecture GPU with 960 CUDA cores and fast 4 GB GDDR5 memory

C3G86AA

NVIDIA Quadro 6000 6.0GB Graphics

Quadro Scalable Geometry Engine dramatically improves performance across a broad range of CAD, DCC, and scientific applications, enabling work to flow interactively with models and scenes that are more complex than ever before.

WS097AA

NVIDIA Quadro 410 512MB Graphics

PCI Express 2 low-profile form factor accelerated 3D graphics add-in card based on the latest GPU architecture from NVIDIA

A7U60AA/AT

NVIDIA Quadro 500M Graphics

• GPU module designed using the MXM™ version 3.0 Type A specification
• Targeted for entry-level

B9C77AA/AT

NVIDIA Quadro 1000M Graphics

• An MXM™ version 3.0 Type A (82 mm by 70 mm) form factor graphics add-in card based on the Quadro GPU

B9C78AA/AT

Graphics and video adapters

HP HDMI to VGA Adapter

- Supports full-size high-definition resolution of 720p or 1080p
- Compact size is easy to carry with your notebook inside the carrying case so you can easily connect to a monitor wherever you work
- Provides the highest quality picture
- Easy to use, plug and play connector

H4F02AA#AC3

HP DisplayPort to HDMI Adapter

- Converts the HP DisplayPort connector on an HP Business Desktop computer

BP937AA

HP USB Graphics Adapter

- Enables connection of up to six simultaneous displays
- Helps you boost your productivity and multi-task across several open applications

NL571AA/AT

HP DisplayPort to DVI-D Adapter

- Converts a graphic card's DisplayPort output to a DVI output for use with a Single Link DVI-D monitor

FH973AA/AT

HP DisplayPort to VGA Adapter

- Converts a graphic card's DisplayPort output to a VGA output for use with a VGA monitor

AS615AA/AT

HP DVI to VGA Adapter

- Converts a graphic card's DVI output to an analog VGA one

VE053AA

HP DMS-59 to Dual DisplayPort Adapter

- Supports up to two digital displays with the DMS-59 to DisplayPort adapter

XP688AA

HP DisplayPort to Dual Link DVI Adapter

- Converts a graphic card's DisplayPort output to dual link DVI

NR078AA

HP Dual Output USB Graphics Adapter

- See more and do more with the HP Dual Output USB Graphics Adapter, a USB 3.0-enabled dual graphics adapter that enables you to divide tasks between two monitors so you can work smarter.
- Less hassle. Less clutter. Less stress.
- High-speed connectivity

C5U89AA

HP DisplayPort Cable Kit

- Connects a HP DisplayPort connector on an HP Business Desktop computer

VN567AA

HP DVI to DVI Monitor Cable

- Connects to graphic cards and monitors that have a DVI connection with single link support

DC198A/AT

HP DMS-59 to Dual DVI Cable Kit

- DMS-59 to Dual DVI Cable Kit for NVIDIA NVS series graphic cards: supports AMO DY599A, EE061AA RD069AA, and AH050AA

DL139A/ET

HP DMS-59 to Dual VGA Cable Kit

- Converts a DMS-50 graphic card output to a dual VGA support

GS567AA/ET

Communication and adapters

High-performance connectivity solutions for your computer

HP provides complete, end-to-end gigabit, wireless, or dual port solutions for workstation or desktop customers. Improve your mobility by adding WWAN options to your notebook, or increase data transfer by adding USB 3.0 ports to your PC.

HP 361T PCIe Dual Port Gigabit NIC

- Dual port bandwidth, Gigabit PCI Express 2.1 NIC, with full height or low profile bracket, that offers support of Energy Efficient Ethernet (EEE) and DMA Coalescing. This option comes with IEEE 1588 Precision Time Stamping feature.

C3N37AA

HP X520 10GbE Dual Port Adapter

- Adopt 10GbE Dual Port Adapter for high performance workstation computing, workstation virtualization, security, consolidation, and other applications requiring the highest throughput.

C3N52AA

HP 10GbE SFP+ SR Tranceiver

- Benefit best in class security of fiber with the transceiver SFP+ form-factor install in X520 dual port adapter. This option supports the 10-Gigabit SR standard, providing 10-Gigabit connectivity up to 300m on multimode fiber.

C3N53AA

HP Wireless 802.11b/g/n PCIe x1 Card

Change workspace layouts quickly, efficiently.

- Adds users to existing networks easily
- 802.1x, WEP plus AES, and TKIP security encryption supported
- Available in full height PCI and low-profile PCI configuration

FH971AA/AT

Communication and adapters

Broadcom NetXtreme Gigabit Ethernet Plus PCIe NIC Card

- High-performance connectivity
- No rewiring expenses: runs perfectly on virtually all existing CAT-5 cabling
- Better network performance by alleviating congestion and removing bottlenecks
- ACPI, WOL, and PXE—allows lower power consumption, remote wake, and remote booting

FS215AA

Intel® Gigabit CT Desktop NIC

- Better network performance: alleviate congestion, remove bottlenecks.
- High-performance connectivity LAN solution
- ACPI, WOL, and PXE—allows lower power consumption, remote wake, and remote booting
- Interrupt moderation to significantly reduce CPU utilization and increase throughput

FH969AA

HP USB 3.0 4-Port SuperSpeed PCIe x1 Card

- Increased data transfer and greater bandwidth
- Up to 5 Gbps data transfer rate—nearly 10 times faster than USB 2.0
- Capable of superior performance to transfer high-def content such as video and media
- Backwards compatible with any existing USB devices
- Includes four USB 3.0 ports (two external , two internal) and a USB 3.0 to USB 2.x/1.x adapter

QT587AA

HP Front Dual USB3 Port Device

Enjoy faster data transfer speeds to and from your USB devices with USB 3.0 technology.

- 3.5-inch adapter fits easily into any available front 3.5-inch desktop bay.
- Affordable, convenient alternative to using an external USB hub.
- Use legacy and evolving devices with USB technology that is backward compatible to USB 2.0

D2V10AA

Creative Recon3D PCIe Audio Card

- Reduces latency and speeds up system performance with bus mastering (specification version 1.1 compliant)
- Accelerated digital effects processing with Sound Blaster Sound Core3D Audio Processor
- Professional Digital Audio Processing: 24-bit analog-to-digital conversion of analog inputs at up to 96 kHz sample rate; and 24-bit digital-to-analog conversion of digital sources to analog outputs

B0U68AA

HP un2430 EV-DO/HSPA Mini Card

- Connects easily with wireless networks worldwide
- Provides connection to and permits roaming on wireless networks in many countries worldwide with integrated WWAN modules for select HP notebooks[1]
- Offers the speed of broadband and the coverage of 3G networks
- No protruding PC cards that can damage the notebook

QC430AA

HP HSPA+ F5321 WWAN

- Choose the best data service available in a particular location, whether it is UMTS/HSPA or GMS/GPRS/EDGE. Useful for users roaming on several different networks
- Connect in more places, with broadband[3] or 3G networks, and the security, reliability, and the ease of using HP business notebooks.
- Check e-mail, browse the internet, and connect to corporate networks from anywhere within the coverage area - whether you are stationary or on the go.

H4X00AA

HP Parallel Port Adapter

- Connects to external device such as printers
- Provides a parallel port support that can be used to connect to parallel interfaced devices

KD061AA

[1] Use of the WWAN module requires a user upgradeable notebook product and carrier service is separate. Some carriers will use different modules based on the technology required.
[2] Compatible with HP 8770w, HP 8570w, HP 8470w, HP 9470m, HP 2760p, HP 2570p, HP 2170p, HP 8570p, HP, HP 8470p, HP 6475b, HP 6470b, and HP 6570b Notebook PCs.
[3] Broadband connection requires wireless data service contract, network support and is not available in all areas. Contact service provider to determine the coverage area and availability. Connection speeds will vary due to location, environment, network conditions, and other factors

Memory and processors

Why HP memory?

Exhaustive testing in HP systems across a broad range of environmental conditions and stringent specifications better ensure HP PC memory meets or exceeds applicable requirements. Source controls enable consistent application of HP testing and qualifications. HP provides full warranty and support so that you have one company to contact for your computer and memory needs and consistent warranty terms.

Notebook memory solutions

Optimize your HP Business Notebook performance with HP memory.

HP DDR3-1600 SODIMM

Easy, cost-effective way to optimize your HP Business Notebook performance

- Extend the life of your HP notebook by supporting operating systems and applications that require increased memory bandwidth.
- Support simultaneous opening of large files.
- Avoid system downtime, data loss, and financial impact caused by memory failures.
- Ensure quality with rigorous supplier qualification processes.

Storage

Convenient, affordable storage solutions for those who require additional storage

Optical drives are an exceptional solution for creating, backing up, or archiving permanent data files on CDs, DVDs, or Blu-Ray media. Hard Disk Drives (HDD) offer easy low-cost back-up solutions without burdening network resources. And Solid State Drives (SSD) significantly improve boot up, shutdown, and application loading times as well as overall application responsiveness.

HP USB DVD Drive

CD/DVD support and up to 8X USB-powered double-layer recording

- Provides an external companion optical drive to accompany a notebook or mini that does not have an internal drive
- Offers read/write functionality
- Connects to the computer through the USB 2.0 port
- Sleek and compact design in a durable aluminum casing
- Shares up to 8.5 GB of video, photos, and presentations on one double-layer disc[1]

A2U56AA#ABB *HP USB External DVDRW Drive*
Retail
A2U57AA#AC3 *HP Mobile USB NLS DVD Drive*

HP Upgrade Bay DVD RW

- User-removable, drawer-load data storage device that can write to CD-R, CD-RW, DVD+R, DVD-R, DVD+RW, and DVD-RW media
- Can read from any industry-standard CD and DVD media
- An exceptional solution for creating CDs and DVDs, and for backing up or archiving permanent data files on CD or DVD media

LZ835AA

HP Blu-ray BDXL SATA Drive

- Quadruple layer technology with the new HP Blu-ray BDXL SATA Drive[3,2]
- High-quality videos and demos in HD format[2,3,4]
- Fast transfer rates and efficient recordable technology for DVD burning[5]
- Includes Roxio MyDVD Business HD and Corel WinDVD SD and BD software[2]

B4F70AA

HP SATA Blu-Ray Writer Slot Load Drive

- Play and record Blu-ray discs and other video and audio formats on your Z1 Workstation and benefit included softwares such as Roxio Easy Media Creator and Intervideo WinDVD.

B2P97AA

---

[1] Double Layer discs can store more data than single layer discs. However, double-layer discs burned with this drive may not be compatible with many existing single-layer DVD drives and players.
[2] Included software requires Windows 7 and higher
[3] Blu-Ray drive XL contains new technologies; certain disc, digital connection, compatibility and performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require an HDCP path and HDCP display. HD-DVD movies cannot be played on this BDXL Drive
[4] BDXL media is required and sold separately
[5] Don't copy copyright protected materials

HP SATA Blu-ray Writer BLK

- Play and record Blu-ray discs and other video and audio formats on your Z1 Workstation and benefit included softwares such as Roxio Easy Media Creator and Intervideo WinDVD.

AR482AA

HP Slim 8X SATA SuperMulti Drive BLK

- Play and record Blu-ray discs and other video and audio formats on your Z1 Workstation and benefit included softwares such as Roxio Easy Media Creator and Intervideo WinDVD.

QS209AA

HP 16X/48X SATA DVD-ROM Drive - JACK BLACK

- Play and record Blu-ray discs and other video and audio formats on your Z1 Workstation and benefit included softwares such as Roxio Easy Media Creator and Intervideo WinDVD.

AR629AA

HP SATA 16x SuperMulti Drive BLK

- Play and record Blu-ray discs and other video and audio formats on your Z1 Workstation and benefit included softwares such as Roxio Easy Media Creator and Intervideo WinDVD.

QS208AA

HP Serial Attached SCSI 15K Hard Drives

- High-performance alternatives to SATA hard drives
- Combine high-bandwidth and faster data transfer rates with better error detection and recovery.
- Get higher hard drive performance compared to typical SATA drives.
- Take advantage of better hard drive reliability compared to typical SATA drives.

VM647AA *600 GB SAS*

LU968AA *450 GB SAS*

LU967AA *300 GB SAS*

A2Z20AA *300 GB SAS (10K)*

HP SATA 10K SFF Hard Drives

- Standard high-bandwidth hard drive storage options
- Most workstation models are also available with high-performance 10K rpm rotation speeds.
- Storage capabilities range up to a massive 1.0 TB.
- SMART hard drive technology allows hard drives to monitor their own health.
- These hard drives feature Native Command Queuing Self Encrypting Drive (SED) support.

B8X20AA/AT *1 TB SATA*

B8X19AA *500 GB SATA*

B8X18AA *250 GB SATA*

HP SATA 6.0Gb/s Hard Drive

Meet storage demands with high-capacity drives.

- Get next-generation technology with increased system cooling airflow, added bandwidth, and overall data integrity.
- Increase your data transfer rates up to 6 Gb per second, doubling your interface speed over SATA 3.0 Gb/s Hard Drives.
- Keep your hard drive's health in order with built-in SMART IV technology, which constantly checks the data flow from host interface to media, and media to host for compromises.

QK555AA *1 TB*

QK554AA/AT *500 GB*

HP SATA 6.0 Gb/s 7200 rpm Hard Drives

- HP Serial ATA (SATA) Hard Drives maximize the performance of HP Business PCs.
- They provide the technologies to meet increasing storage demands with high-capacity drives offering superior reliability and performance.

QB576AA *2 TB*

LQ037AA/AT *1 TB*

LQ036AA/AT *500 GB*

LQ034AA/AT *250 GB*

HP Primary SATA 7200 rpm SMART Hard Drives

Additional storage: Convenient and affordable

- Extend the life of your HP Business Notebook by providing additional storage.
- Get an easy, low-cost back-up solution without burdening network resources.
- Switch drives between most HP Business Notebooks.

H2P67AA *750 GB*

Storage

HP SATA Solid State Drives for Notebooks

Provide additional storage flexibility and expandability

- SSDs have no moving components and provide higher reliability to your data with higher tolerance to movements or shocks than conventional hard disk drives
- Multi Level Cell (MLC) NAND flash memory supports faster transfer speeds and higher cell endurance than hard disk drives
- Provides enhanced data security features with advanced encryption technology
- Significantly improves boot-up, shut down, and application loading times as well as overall application responsiveness
- TCG/Opal-compliant self-encrypting (SED) for enhanced data security (model# H2C38AA only)

D8F30AA *512 GB*

H2C38AA *256 GB*

H4T75AA *180 GB*

HP SATA Solid State Drives for Desktop PCs and Workstations

- Faster transfer speeds and higher cell endurance with
- Intel® NAND flash memory Multi Level Cell (MLC) components
- Significantly improves boot up, shutdown, and application loading times

LZ069AA/AT *300 GB Desktop*

QV064AA *160 GB Desktop*

QV063AA *128 GB Desktop*

A3D26AA/AT *256 GB Workstation*

A3D25AA/AT *128 GB Workstation*

HP Removable Hard Drive Frame/ Carrier

- The rugged DX115 is a Frame and a Carrier for those who need a removable storage solution with huge capacity. Install the HP DX115 Removable frame and carrier in one of the 5.25" optical bays and benefit easy front access of PC or HP workstation

FZ576AA

HP DX115 Removable HDD Carrier

- The solution for those who need additional removable storage with huge capacity. Rugged carrier spare compatible with HP DX115 Removable frame to allow additional removable drives with easy front access of PC or HP workstation.

NB792AA

HP Upgrade Bay 7200 rpm Hard Drives

- Extend the life of your HP Business Notebook by providing additional storage.
- Get an easy low-cost back-up solution without burdening network resources.
- Switch drives between most HP Business Notebooks.
- Take advantage of high-speed SATA data transfer.

H2P66AA *750 GB*

LX733AA *500 GB*

HP SATA 10K SFF in 3.5 Frame HDD

- Extend storage capacity with one of the SATA drives that is the standard high bandwidth hard drive storage with high performance 10K rpm rotation speeds.

C2T91AA *1TB*

C2T90AA *500GB*

C2T89AA *250GB*

HP 3TB SATA 6Gb/s 7200 HDD

- Upgrade storage capacity of your workstation with the massive 3.0 TB SATA high bandwidth hard drive storage with high performance 10K rpm rotation speeds.

Calculators

It all adds up with HP calculators

You can count on accurate, durable, and sophisticated HP calculators to meet your needs at school and at the office.

HP Education calculators

From middle-school math to rocket science, there's an HP Education calculator for every student.

HP 17bII+ Financial Calculator

The ultimate financial calculator

- Dynamic menu for easy navigation
- RPN[1] and standard algebraic calculation modes
- HP Solve[2] Equation saver
- Approved for CFP certification exam[3]

F2234A

Retail

HP 12c and 12c Platinum Financial Calculators

Enhanced for professionals and students

- RPN[1] calculation mode
- Standard algebraic calculation mode (HP 12c Platinum F2231AA only)
- Calculates loans, TVM, NPV, IRR, bonds, depreciation, and more
- 120 time-saving functions

F2230A HP 12c

F2231AA HP 12c Platinum

Retail
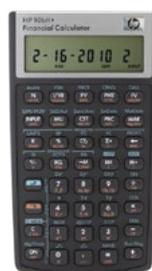

HP 10bII+ Financial Calculator

- All-purpose financial calculator
- Calculates loans, TVM, NPV, and IRR
- Robust set of statistical, algebraic, and trigonometric functions
- Approved for CFP, FRM, and ERM exams[3]

NW239AA

Retail

HP 30b Business Professional Calculator

- Feature-packed and programmable
- Programmable to quickly create custom calculations
- RPN[1] and standard algebraic calculation modes
- Advanced statistics functions
- Powerful math library including trigonometry, hyperbolic, and advanced probability functions

NW238AA

Retail

---

[1] Reverse Polish Notation (RPN) is an efficient data-entry system that can significantly reduce keystrokes. More information is available at hp.com/go/rpn.
[2] HP Solve is a time-saving application that allows you to solve for any variable without rewriting your equation.
[3] CFP® is a registered trademark of the Certified Financial Planner Board of Standards, Inc. CFA® and Chartered Financial Analyst® are registered trademarks of CFA Institute.
CFA Institute and CFP Board of Standards are not affiliated with Hewlett-Packard and do not endorse or warrant the company or its products. Recommended for use by the Global Association of Risk Professionals (GARP) for the Financial Risk Management Certification.

Calculators

HP Classroom Manager Software 2.0

Classroom control and management tool
• Student engagement with interactive assessment
• PC IT management capabilities
NW281AA
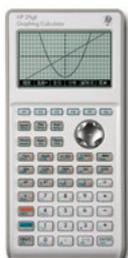

HP 39gII Graphing Calculator

The graphic calculator for high school
• High resolution display
• Fast processor for quick display
• Intuitive menus in local language (EN,GER,FR,IT,NL, SP)
• Excellent value

NW249AA

Retail

HP 50g Graphing Calculator

Great for engineering and advanced math
• Ability to view solutions in 2D or 3D graphics
• SD card slot for expanded memory and data transfer
• RPN[1], textbook, and standard algebraic calculation modes
• Advanced Computer Algebra System (CAS)
• HP Solve[2] and HP EquationWriter

F2229AA

Retail

HP 40gs Graphing Calculator

The graphic calculator for high school with CAS
• User-friendly Computer Algebra System (CAS)
• Dynamic menu for easy navigation
• Saves and shares applets with unit-to-unit cable
• HP Solve[2] Equation saver
• Approved for most college entrance exams

F2225AA

Retail

HP 35s Scientific Calculator

The ultimate scientific calculator
• RPN[1] and standard algebraic calculation modes
• Keystroke programming
• 30 KB memory plus 800 storage registers
• HP Solve[2] Equation saver
• Approved for use on FE and PE exams

F2215AA

Retail
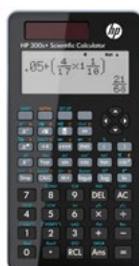

HP SmartCalc 300s+ Calculator

The perfect "college" or middle-school model
• Familiar 4-line textbook format
• Advanced arithmetics, 315 built-in functions
• Solar power with battery back up
• Durable slide on cover

NW277AA

Retail

HP 10s+ Scientific Calculator

• 240 built-in functions: Solve math and science problems quickly
• Solar Power with battery back-up
• Work with franctions, logs, decimals, exponential, powers and roots

NW276AA

Retail

Software

HP Software Solutions

Increase your productivity, save money, connect with others easily, monitor your PC performance, and protect your computer from threats.
Enable your organization's IT staff to remotely discover, control, administer, and manage computing hardware and software.

A convenient online meeting place

With HP Virtual Rooms, you can increase productivity, save money, and connect with others easily.

HP Virtual Rooms

Conveniently collaborate with business contacts anytime.
- Connect with any PC, anywhere with Internet access.
- Collaborate in real time (in group or private chats) with desktop/application sharing, whiteboard, and other editing tools.
- Reduce costs and travel time by meeting "face-to-face" with in-room video and audio (webcam and headset required).
- Store files right in your personal meeting room.
- Meet within seconds with quick keys.

WF722A#ABB *HP Virtual Rooms 5 People License*
WF723A#ABB *HP Virtual Rooms 15 People License*
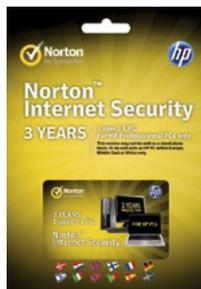

Norton Internet Security Solutions

- Antivirus and spyware protection
- Warns against dangerous downloads before you install them on your PC
- Monitors your PC performance and alerts you when an application is slowing down your PC
- Blocks hackers from accessing your computer and stealing your personal information

QD287A *HP 3yr Symantec NIS 1user 1PC SLK WE*
QD288A *HP 3yr Symantec NIS 1user 1PC SLK non WE*

HP LANDesk Software*

Award-winning solutions, unique capabilities
- Remotely discovers, controls, administers, and manages computing hardware and software with Systems Management
- Helps prevent data loss and malicious attacks with Endpoint Protection
- Provides outstanding IT service desk/help desk to reduce IT operations management costs with ITSM

QY369AAE *HP LANDesk 1-499 E-LTU*
